Thirteen years ago I published the two volume historical genealogy: *The Stulls of "Millsborough" – A Genealogical History of John Stull, "The Miller" Pioneer of Western Maryland.* This hardbound two volume genealogy details six or more generations of Stull, Swearingen, Greathouse and White descendants of John Stull (d. 1749) pioneer settler of Hagerstown, MD. This work is **fully indexed with extensive references, printed on acid-free paper and hard bound in red library grade buckram. It also has numerous illustrations.** Only 300 sets were published, but copies are still available for sale.

Originally the two-volume set sold for \$100.00 plus \$10 for shipping. It is now time to offer the remaining copies at a **50% discount** - far less than even my printing and binding costs.

Order a copy of Vol. 1 only [*John Stull Sr. and John Stull, Jr., Mary (Stull) Greathouse and Margaret (Stull) White & their descendants*] – 676 pages including index *plus* 26 pages of updates for \$30.00 plus \$6.00 for shipping – **\$36.00 total.**
